

# Game Day Safety Guidelines

Regarding player safety, are the weather conditions satisfactory for play to commence? Not too hot and not too wet?

Regarding player safety, are the playing surfaces (including the field and pitch) satisfactory for play to commence? Not wet, or uneven?

Has all visible debris, that may affect player safety, been removed? I.e., broken glass.

Are all sprinkler covers intact and level with the playing field? If any.

Regarding player safety, are the perimeter fences and/or signs free from visible hazards?

Are all boundary markers (lines, ropes, hats, etc) at least 3 yards / 2.74 metres away from any off-field hazards including but not limited to fencing, concrete perimeters, trees, or other solid structures which may cause injuries to fielders?

Regarding safety, are the public areas (e.g., seating and walkways) free of visible hazards?

Regarding safety, are the player's areas (e.g., change rooms) free from visible hazards?

Are First Aid facilities (e.g., First Aid Kit, qualified personnel, and ice) on site and accessible? In your team kit bags.

Are there shaded areas, sunscreen, and clean drinking water available?

*If you notice the ground / playing conditions to be unsafe, please attempt to resolve the issues, if unable to resolved please reach out to [coachingdirector@carinacricket.com.au](mailto:coachingdirector@carinacricket.com.au) so the Carina Cricket Club committee can further investigate the situation.*
